Dear Community Partner,

The Chautauqua Safety Village is excited to announce we are making preparations for our 2023 cash calendar raffle. The cash calendar is a popular annual fundraiser which assists the village in offsetting costs to provide hands-on safety education to children and community members. Every person who purchases a calendar receives multiple chances each month to win a cash prize. Each winner's name is then re-entered for the next month's drawing.

The Chautauqua Safety Village is dedicated to educating children in the areas of traffic, fire, bike safety and babysitter training. We also provide CPR/AED training, smoke detector installations, and child safety seat education to the community. Our goal is to prevent unnecessary injuries and unfortunate fatalities through education and hands-on training. The lessons our students learn may one day save their lives.

We would not be where we are today without the generosity of businesses and organizations such as yours. We are making a difference in the lives of so many children, teens, and adults in our community.

Please see the attached form for different sponsor levels we are offering to meet your needs, and feel free to contact me with any questions. Thank you in advance for your consideration.

Very Truly Yours,

Jessica Dayton
