Responsibilities Include:

- Implement educational programs designed to improve knowledge about safety topics both at our facility and within the community to a variety of age levels.
- Deliver hands-on training and activities for schools and the community using interactive educational tools and hands-on learning experiences.
- Set up / clean up classrooms and Safety Village equipment for programs.
- Assist with fundraising events and programs (planning and implementation).
- Help to develop and deliver periodic day camps for the community.
- Coordinate and implement Taste of Independence programs.
- Assist in providing community outreach and awareness through local community events.
- Clerical duties and reporting.
- Assist with other duties as needed.

Qualifications:

- Associates degree preferred, professional experience and/or training in youth education required.
- Educator must have the ability to deliver training in an enthusiastic manner as well as maintain classroom control.
- Demonstrated ability to speak effectively before groups supplemented by strong written and oral communication and presentation skills.
- Ability to flex work schedule to accommodate educational programming needs.
- Strong organizational skills, ability to multi-task and handle several responsibilities well.
- Be self-motivated and able to work independently.
- Proficient in computer skills and web based platforms.
- Must be able to exert light to moderate physical effort, at times involving bending, kneeling, crouching, standing, carrying, pushing and/or pulling of objects and materials of light to moderate weight (5-20 pounds). Some lessons require outdoor activities, where potential exposure to inclement weather conditions may occur.
